Loving life with little ones

### What is Toddle About?

Toddle About is the answer to every parent who has ever asked, "What's on for little ones near me?"

We provide these answers in 3 main ways, through:

#### 1. The Toddle About magazine

Often referred to by parents as their 'bible', the magazines are A5, glossy and packed full of useful and fun content.

#### 2. The Toddle About website

Parents can pop in their postcode to discover what's in near them, and access great parenting advice and activity ideas.

#### 3. The Toddle About Baby Show

An annual event in each franchise region, our Baby Shows are a hugely popular days out for new and expecting families, showcasing all the best of what's on offer for bumps, babies and toddlers in the area.

### What is the Toddle About Business Opportunity?

This is an opportunity to run your own magazine and event business, working the hours that you choose around your family commitments. With full training and support from the Toddle About team, you will provide a hugely valuable service to your local parenting community, of which you can be really proud.

### What Financial Returns could you make?

A Toddle About Franchisee's income comes mainly from businesses advertising in the quarterly magazine and exhibiting at the Baby Show, with extra revenue coming from online advertising and magazine subscriptions.

Financial Returns are directly proportional to the amount of effort put in and cannot be guaranteed, but we would expect a franchisee working 25 – 30 hours per week to generate revenue of £40 - £50K, which would translate to an annual profit of £20 - £30K.

### Cost of Purchasing a Franchise?

Initial Fee is £4,950 + VAT.

Ongoing Management Service Fee is 10% of turnover.

### What's Included?

- Licence to own and operate a Toddle About Franchise in an exclusive area for a period of five years.
- Use of the Trade Marks and Trade Name.
- Full Training and the full business operations manual.
- Access to company software and systems.
- Initial marketing materials and launch programme.
- Magazine design templates, articles and competitions.
- Market-leading website and Toddle About email address.
- Ongoing support and coaching.

### The Toddle About Story

The first Toddle About magazine was released in Northamptonshire in January 2010.

When the founders, Ruth and Tim Freed, had their first child, their Health Visitor gave them a list of local baby and toddler groups that they could attend – the list was short and it turned out that nearly half the groups were no longer running. So Ruth decided to make her own list.

After long hours of research, she had a list of local groups and classes, broken down by day of the week, to make it easy to see what was on when. As she started attending the groups, her new friends began asking for a photocopy of the list. It became apparent that lots of new parents really needed an

easy way to find out what was on for little ones - and the idea for a new, local magazine just for families with babies and toddlers was born.

When the first magazine was released, the feedback from local parents was instantaneous. The magazine was a hit! As parents in neighbouring counties began to request their own Toddle About magazine, Ruth and Tim brought the magazine to Warwickshire, Oxfordshire, Milton Keynes/Bedford and South Buckinghamshire.

They realised that Toddle About would be a great business opportunity for parents and, in 2019, the first Toddle About franchisee joined the team – a Toddle About reader from Warwickshire who had moved to Suffolk and was passionate about taking Toddle About to her new area.

Toddle About has continued (and continues) to evolve. In 2020, in order to serve parents digitally and create new advertising revenue streams, the website was completely re-developed, turning it into a market-leading resource. Not long after, the first Toddle About Baby Show was launched – and it was a huge success, complementing the magazine so incredibly well as yet another way of helping parents to ‘love life with little ones’.

### What is Toddle About?

The **Toddle About magazine** helps families discover what is on offer for little ones aged 0 – 5 years old in their local area. Printed quarterly (4 issues per year), the magazine is a hugely valuable resource for parents, providing day-by-day listings of all the different groups and classes running in an area, as well as local news, parenting articles, competitions and exclusive discounts.

The magazine is posted to VIP club subscribers for just £2 per issue (paid by Direct Debit). It is also available as a free publication from high street locations such as nurseries, preschools, soft play centres, doctor's surgeries and registry offices. Many Health Visitors hand it out too as they recognise its value for new parents!

The **Toddle About website** is a digital version of the magazine, providing parents with a searchable directory of activities, parenting articles, competitions and more. Parents can even book and pay for many of the classes in their area through the Toddle About website. It attracts over 45K visitors every month.

The **Toddle About Baby Show** provides expectant parents and parents with young children a great shopping opportunity with expert advice and demos on all things bump, baby and toddler – all under one roof. The show attracts visitors and businesses from all over the franchisee's area (and beyond) and, with soft play, refreshments and baby changing/feeding areas available, it is a great day out for all the family.

### Revenue Streams

Toddle About franchisees generate most of their revenue by giving ways for businesses to advertise their products and services to a very niche audience. They are able to offer advertising opportunities through their magazine, baby shows, website and social media pages, and also through email e-shots to their subscribers. They also offer their advertisers additional services such as graphic design, printing and online bookings.

### What is the Toddle About Business Opportunity?

As a Toddle About franchisee, you are responsible for creating your local Toddle About magazine and running your Baby Show, and also marketing the publication, event and website to parents and businesses in your area, and selling advertising.

### A Day in the Life

As the magazine is released every quarter, there is a 3-monthly work cycle for franchisees which provides a great balance between a familiar structure and daily variety.

Each month in the quarter has a typical focus:

**Month 1:** Launching the magazine issue – distributing it to venues and promoting its release.

**Month 2:** Advertising Sales – this is the life blood of the business.

**Month 3:** Creating the magazine – editing articles and features, updating listings, chasing up artwork and bringing your publication to life.

On a more ad hoc basis, the Baby Show adds extra jobs such as finding and preparing the venue, stuffing goody bags and, of course, attending and running the event itself!

### The Rewards

If you are committed and motivated, a Toddle About franchise gives you an amazing opportunity to create your own success – working the hours you choose and making a decent income at the same time.

But Toddle About is more than just a way to enjoy the freedom of being your own boss. Through your franchise, you have the opportunity to reach and positively impact the lives of thousands of parents – which is exciting, as well as being quite a responsibility! You will help to connect parents not just with the activities and services in their area, but also – and crucially – with each other.

In this way, Toddle About franchisees play a key part in building their local parenting communities and, we hope, helping families to 'love life with little ones'.

## Our Wider Family

Our team also includes a dedicated number of individuals and businesses such as Graphic Designers, Printers & Mailing Houses - and of course our Franchisees!

## Who are you?

First and foremost, we are looking for franchisees who are passionate about all things baby and toddler and have a desire to help their local parenting community. As such, you will probably be a parent yourself – being immersed in the parenting world helps with your success as a franchisee.

### Your Experience

You don't need experience in journalism or graphic design - though those skill-sets would certainly be beneficial, we will provide the training and resources you will need to create your magazine.

### Your Skillset

It is important to us that your written and spoken English is of a high standard, and you will need to have strong social, interpersonal and communication skills in order to make your franchise a success.

You will also have the ability to organise, prioritise and keep to deadlines, and have a good attention to detail.

You must be teachable (prepared to listen to advice and guidance) and able to dedicate at least 25 hours per week to working on the franchise.

### Training Provided

Over the years, we have developed systems and templates to make the running of your franchise area a simple operation which can, with appropriate training, be carried out by any individual with typical IT skills, good English and a strong desire to succeed.

Franchisees are fully trained in all aspects of owning, operating and marketing a Toddle About franchise area. The training, both theoretical and practical, is delivered by senior Toddle About staff.

Initial training consists of 3 content-packed training days, typically delivered at our Head Office in Towcester, teaching you everything you need to know to get your franchise up and running.

On an ongoing basis, weekly franchise calls are held to provide support, training and the chance to chat with other franchisees.

Annual training days are also held for franchisees, to help everyone learn best practice from each other and keep on top of the latest business trends and developments.

### Ally Richmond – Toddle About Franchise for West Northamptonshire

*"I am so glad I took the leap and joined the Toddle About family.*

*I had relied on Toddle About when my eldest was born to find classes and groups in Northants and it was my absolute bible.*

*When the opportunity came up to own my own magazine, something about the timing just felt like it was now or never.*

*Having three young children and a husband with his own career, I had nothing for myself any more and I had just been on various interviews for positions that stated they were 'flexible' and were far from it.*

*Being a Toddle About franchisee has given me a purpose outside of my family again. Being able to still be a present parent, attend all the school events and activities but still work and achieve something tangible and meaningful at work is amazing, it's made me proud of myself again, or possibly for the first time really.*

*You get all of the training you need and so much support from Head Office, which is ongoing from the second you start, so you never feel like you are on your own and know you can reach out at any time. If you're on the fence, just jump over, we're all in it together and you absolutely won't regret it. It's the best decision I've ever made."*
